

# SETTLER MILITIAS IN KANAKY

**IN KANAKY WHITE SETTLERS HAVE ORGANISED MILITIAS. THEY HAVE WEAPONS AND THEY THREATEN AND KILL KANAK PEOPLE.**

A memorial for one of the young Kanak people assassinated by a settler. He was walking in the street.

# **HUNDREDS OF KANAK PEOPLE ARE MISSING, PRESUMED DEAD.**

These people have probably been murdered and their bodies not yet located. Families visit morgues and hospitals to seek their loved ones. Some bodies have been found which are so mutilated they cannot be identified.

Kanaks set up road blocks to protest french colonial practices and protect their tribal villages from police and military invasion. These are met with extreme violence and repression.

**SETTLERS HAVE ALSO SET UP ROADBLOCKS TO BLOCK ACCESS TO THEIR WEALTHY, WHITE NEIGHBOURHOODS. SOME HAVE WEAPONS.**

**SETTLER ROADBLOCKS HAVE LOTS OF RESOURCES AND ARE IGNORED BY THE FRENCH MILITARY AND POLICE.**

Settlers are allowed to do  
this because it is in the  
colony's interest.

**IN KANAKY AND IN SO-  
CALLED AUSTRALIA, FIGHT  
THE COLONY!**
